Immediate Press Release

Kelly L. Bianco is Presenter at Business Owner Assembly

Kelly L. Bianco, Managing Director of Strategic Valuation Group, a business valuation firm located in Howland, Ohio, was the guest presenter at the January meeting of business owners hosted by Peer Circles® and held in Portsmouth, New Hampshire. Peer Circles® consists of small and medium-sized business owners who meet to share and discuss business issues and challenges with experts from various industries. Ms. Bianco's presentation, titled "Managing the Value of Your Business", explored the complex issues that typically confront business owners, such as expanding their business, concerns about buyout issues, and selling their business. Ms. Bianco stated, "This workshop helped the business owners understand valuation and covered the issues that were highly relevant to them and demonstrated how these events would impact the value of their stock." SVG plans to present this workshop locally in 2008.

About Strategic Valuation Group

Strategic Valuation Group is a leader in providing value consulting and performing appraisals of privately owned businesses, professional and medical practices, stock options, intellectual property, and other intangible assets for compliance with laws (i.e., income tax, estate tax, shareholder disputes, lawsuits, divorce) or financial reporting rules and regulations.
